Recital:

Dancer Drop off & Pick up: Please arrive 45 minutes prior to showtime. Bring students dressed in street clothes, signs will be posted or look for individuals with ID badges that will direct you to the changing areas. **All dancers will check in at the stairs by the gym then we will direct you to your changing area.** Check in for 12:30 shows will be 11:45 - 12:15, check in for 5:30 shows will be 4:45 - 5:15. There will be assigned areas for groups to keep their things together. It is easiest if you arrive with tights on and we do recommend an undergarment so changing can be done quickly without a run to the bathroom. You can help your child into their first costume and leave them with us. You may exit the same way, as the only entrance to the auditorium is in the front entry. No males, dad, brother, boyfriend, of any kind is allowed anywhere in the gym changing area. If you need someone, seek out a volunteer that is wearing an ID badge. We are extra cautious during the shows of anyone roaming the halls or trying to sneak into the gym and you will be approached by a backstage volunteer if not wearing a badge. This is for the safety of all our students. At the end of the show, our volunteers will bring the students back to the gym or backstage rooms, it will take 5-10 minutes to regroup everyone but you can pick them up in the same location you dropped them off.

Dancers during the show: Every group is assigned a backstage volunteer(s) so you can enjoy the show! Audience members are not allowed in the gym or backstage when the show begins, only volunteers with a backstage badge. All backstage volunteers will have a badge. During intermission you can visit your child but they are NOT to go into the auditorium. All dancers must stay in the gym with their group. Males are not allowed in the changing area. If Dad, Grandpa, etc would like to see them as well, have a female bring them into the hallway. Please keep in mind intermission is only 10 minutes and we hold to that. We will play one song to get everyone seated then we will close the doors and no entry will be allowed until the number is completed. No student is to leave the gym or backstage rooms and enter the auditorium during the show. These rules are for the safety of your children. The majority of the backstage crew are studio alumni who have danced many years and are back to volunteer for the weekend. PLEASE remember that these adults are volunteers and do have knowledge of how the show runs and what to do with costumes, hair, or shoe issues. Don't worry, your child is in very good hands! If there is a parent issue in the gym we will hold the show until the problem is fixed.

What to Bring: Costumes, accessories, dance shoes, snack and a water for your dancer. Preferably something that won't stain their costumes if we have a little spill! We will have the show playing in the gym for the groups to watch when they are not lining up or dancing themselves. Preschool rooms will have coloring books and movies in their rooms to help entertain while they wait for their turn. Please label all costumes and shoes with your dancers name. Each show will be 2 - 2.5 hours and we will keep it moving along, dancers will be busy lining up and changing!

If your class is performing in more than one show and that is a problem, please let us know. We need to know ahead of time how many students will be attending for each group.

DVD/Digital Download: We will update when we have the information of what is being offered this year to purchase. We are waiting to hear from the videographer.

In order for a student to be in the show, all balances must be paid in full by stage rehearsal.

We are very excited to be back at Lewiston Middle School and to see a real recital weekend. All students have worked hard this year and we can't wait to see them on stage!

Please show your support for each dance with applause!
